DECAPTIONED

NCWIS

August 7, 1976

TO: The Immigration and Naturalization Service

Attached are photographs of the pertinent pages of passports issued by the Government of Paraguay to Ivan Williams and Alejandro Romeral. We have reason to believe that these individuals are not Paraguayan nationals or officials of the Paraguayan Government as the passports purport. INS may wish to ensure that they are appropriately questioned on application for entry into the U.S. We have no information on their travel plans but believe they will probably arrive at Miami or New York.
